TSP-70

Request for Full Withdrawal

November 2015

Checklist for Completing Form TSP-70, Request for Full Withdrawal:

Be sure to read all instructions before completing this form.

Tip: You can use the TSP website (tsp.gov) to help you complete your request. You will need to log into your account and access the program on the Withdrawals menu. It has interactive screens that will fill in the appropriate sections of the form; however, you will not be able to complete your withdrawal request online. Whether you use the program or not, you must complete and submit the required pages as outlined below, and all pages that are relevant to your request must be mailed or faxed **as one package**.

- ✓ To request a partial withdrawal of your account and leave the balance of your account with the TSP, complete Form TSP-77, Request for Partial Withdrawal When Separated. Complete this form (TSP-70) **only** if you want to initiate monthly payments, purchase a life annuity, receive a final lump sum payment, or a combination of these from your **entire** vested TSP account balance.
- ✓ Pages 1 and 2 (Sections I, IV, and VII) are required for all participants. You must **sign** and **date the form**, and your **signature must be notarized**.
- ✓ If you are **married**, you must complete Section II or III depending on your retirement coverage. If you are a married **FERS or uniformed services** participant, your spouse must also sign the form, and the signature must be notarized.
- ✓ If you have a **traditional (non-Roth)** balance and you would like to **transfer** all or a part of the **traditional (non-Roth)** portion of your withdrawal, you must check the box in Section V. You **and** the IRA trustee or plan administrator must complete Page 4. **You** must include the completed page with your withdrawal request package.
- ✓ If you have a **Roth** balance and you would like to **transfer** all or a part of the **Roth** portion of your withdrawal, you must check the box in Section V. You **and** the IRA trustee or plan administrator must complete Page 5. **You** must include the completed page with your withdrawal request package.

Note: If you would like to transfer all or a part of **both the traditional and the Roth** portions of your withdrawal, you must check the box in Section V. You **and** the IRA trustee or plan administrator must complete Page 4 **and** Page 5, **even if the transfer is to the same financial institution**. **You** must include the completed pages with your withdrawal request package.

FORM TSP-70, INFORMATION AND INSTRUCTIONS FOR PAGE 1

Use this form if you are separated from Federal service or the uniformed services and you want to request a full withdrawal of your **entire** vested account balance in the form of a single payment, monthly payments, life annuity, or any combination of these options, to be paid after your agency or service confirms your separation. **To request a partial withdrawal of your account and leave the balance of your account with the TSP, do not complete this form; instead, complete Form TSP-77, Request for Partial Withdrawal When Separated.**

Before making a withdrawal request, read the booklet *Withdrawing Your TSP Account After Leaving Federal Service* and the TSP tax notice "Important Tax Information About Payments From Your TSP Account." If you do not have these materials, you can download them from the TSP website (tsp.gov).

You should **not** complete Form TSP-70 if:

- **Your vested account balance is less than \$200.** The TSP will automatically send you a check for the balance of your account after your agency or service reports that you have separated.
- **You expect to be rehired after a break in service of less than 31 calendar days.** You must be separated from Federal service for 31 or more days in order to be eligible for a post-employment withdrawal. **If you expect to be rehired after a break in service of 31 or more full calendar days,** see the Withdrawal Booklet for information about rehired participants and withdrawal restrictions.
- You are the spouse beneficiary of a deceased civilian or uniformed services TSP participant's account. Instead, complete Form TSP-90, Withdrawal Request for Beneficiary Participants.

There are two ways to complete your post-employment withdrawal:

- You can use the TSP website (tsp.gov) to begin your withdrawal request once your agency or service has reported your separation to the TSP. For the protection of your account, you will not be able to complete your withdrawal online, but the interactive screens will help you complete the appropriate sections of the form correctly.

After you print out the form, review it, complete any missing information, provide required notarized signatures and documentation, and mail or fax it to the TSP. Do not change or cross out any of the prefilled information you entered on the Web; the form will not be processed if you do.

OR

- Complete Form TSP-70, and mail or fax it to the TSP.

SECTION I. INFORMATION ABOUT YOU. Complete Items 1–10. Check whether you are withdrawing money from a civilian or uniformed services account in Item 1. If you have more than one account and you do not check a box, your form will not be processed. **Check only one box.** You cannot withdraw from both accounts using one form. Also, be sure to only check the box for the account representing the employment from which you are separated.

The address you provide on this form will be used to update the address in your TSP account record. If you have a foreign address, check the box in Item 6 and enter the foreign address in Items 7–10 as follows:

First address line: Enter the street address or post office box number, and any apartment number.

Second address line: Enter the city or town name, other principal subdivision (e.g., province, state, county), and postal code, if known. (The postal code may precede the city or town.)

City/State/Zip Code fields: Enter the entire country name in the City field; leave the State and Zip Code fields blank.

If you use an **Air/Army Post Office (APO)** or **Fleet Post Office (FPO)** address, enter that address in the two available address lines (include the unit designation). Enter APO or FPO, as appropriate, in the City field. In the State field, enter AE as the state abbreviation for Zip Codes beginning with 090–098,

AA for Zip Codes beginning with 340, and AP for Zip Codes beginning with 962–966. Then enter the appropriate Zip Code.

Spouses' rights apply to accounts that total more than \$3,500. If you are married (even if separated from your spouse), you must comply with the spouses' rights requirements outlined below:

Spouses' Rights for Full Withdrawals

Classification	Requirement	Exceptions
FERS/ Uniformed Services	Spouse is entitled to a survivor annuity unless he or she waives that right.	Whereabouts unknown or exceptional circumstances
CSRS	Spouse is entitled to notification by TSP of participant's election.	Whereabouts unknown

SECTION II. MARRIED FERS AND UNIFORMED SERVICES PARTICIPANTS.

If your **total** TSP account is more than \$3,500, then by law your spouse has the right to a joint and survivor annuity with a 50% survivor benefit, level payments, and no cash refund, unless your spouse waives the right to that annuity. If you would like to use your entire account balance to purchase this annuity, check the box in Item 11 indicating that you choose the **default joint life annuity** with your spouse, skip to Section VII, and then complete Page 6.

Note about annuities: If you have **both a traditional (non-Roth) and a Roth balance** in your TSP account, the TSP will purchase **two** default annuities (one for each balance). The \$3,500 minimum applies to **each** annuity separately. If you are interested in purchasing an annuity, read the **Special Rules for Annuities** in the instructions for Page 6.

If your total TSP account balance is more than \$3,500, and you do not choose the default joint life annuity in Item 11, then your spouse must give consent to a full withdrawal from your TSP account by completing, signing, and dating Items 12–14. Your spouse's signature must be notarized (Item 15). Because this form will be filed with a Federal agency in Washington, D.C., the notary must complete the information in Item 15. **No other acknowledgement is acceptable.**

If you cannot obtain your spouse's signature, please provide your spouse's name and Social Security number in Item 12. The TSP cannot process your withdrawal unless you have a spousal exception on file or if you apply for—and receive—an exception to the spouses' rights requirements. Exceptions are granted in **rare** circumstances. If you wish to apply for an exception, submit Form TSP-16 (TSP-U-16 for uniformed services), Exception to Spousal Requirements, along with this form.

SECTION III. MARRIED CSRS PARTICIPANTS. If you are a married CSRS participant with an account balance of more than \$3,500, then by law the TSP must notify your spouse of your full withdrawal. Please provide your spouse's name in Item 16. If your spouse's address is the same as your address in your TSP record, check "Yes" in Item 17. Otherwise, check "No" in Item 17 and complete Items 18–22.

If you do not know your spouse's whereabouts, check the third box in Item 17, and provide your spouse's Social Security number. The TSP cannot process your withdrawal unless you have a spousal exception on file or if you apply for—and receive—an exception to the spouses' rights requirements. Exceptions are granted in **rare** circumstances. If you wish to apply for an exception, submit Form TSP-16, Exception to Spousal Requirements, with the required documentation.

If your spouse has a foreign address, check the box in Item 18 and follow the foreign address instructions in Section I to complete Items 19–22.

See the instructions in Section I for completing Air/Army Post Office (APO) or Fleet Post Office (FPO) addresses.

Note: If you do not complete Section II or Section III, you are indicating that you are not married.

FORM TSP-70, INFORMATION AND INSTRUCTIONS FOR PAGE 2

SECTION IV. WITHDRAWAL ELECTION. You **must complete** Item 23. You may withdraw your account balance by choosing any one, a combination of any two, or all three of the basic withdrawal options (single payment, life annuity, TSP monthly payments). In the boxes provided for each method, indicate the percentage of your account that you would like to withdraw by that method. **Use whole percentages only.** Be certain that the percentages in Items 23a, b, and c add up to 100%. **Note:** You can use the calculators on the TSP website to project a life annuity or a monthly payment amount.

If you have both a traditional (non-Roth) and a Roth balance in your TSP account, **your withdrawal will be paid proportionally** from your traditional and Roth balances for each withdrawal option that you select.

Example:

TSP account balance = \$10,000

Traditional portion of balance at time of withdrawal = \$5,000 (50%)

Roth portion of balance at time of withdrawal = \$5,000 (50%)

Withdrawal election:

Single Payment = 20%

Life Annuity = 0%

TSP Monthly Payments = 80%

Result:

Single payment = \$2,000, comprised of \$1,000 (50%) traditional money and \$1,000 (50%) Roth money.

Monthly payments = \$8,000. Each monthly payment will be comprised of 50% traditional money and 50% Roth money.

Note: If your account contains tax-exempt contributions or Roth contributions, each withdrawal method will be disbursed proportionally from taxable and nontaxable amounts.

If you choose to withdraw your account as a **life annuity**, the minimum amount to purchase the annuity is \$3,500. This means that if you are withdrawing only a portion of your account by means of an annuity (Item 23b), the percentage you choose must equal \$3,500 or more of your account balance (vested account balance if you are FERS). To complete your annuity purchase, you must also provide information needed for the annuity on Page 6 of this form.

If you have **both a traditional (non-Roth) and a Roth balance** in your TSP account, the \$3,500 minimum amount will apply to **both** balances separately. You cannot select just one balance for your annuity purchase. If you are interested in purchasing an annuity, read the **Special Rules for Annuities** in the instructions for Page 6.

If you are withdrawing any portion of your account by means of **TSP monthly payments** (Item 23c), write in the box the dollar amount that you would like to receive each month (must be at least \$25) **OR** check the box to have the TSP compute your monthly payments based on your life expectancy.

- **If you write in a monthly dollar amount**, you will receive that amount until you change it or until your entire account balance has been paid out.
- **If you choose to have the TSP compute your payments**, we will use the IRS Single Life Table, Treas. Reg. 1.401(a)(9)-9, Q&A 1 (for participants who are under age 70 after June 30 of the calendar year when payments are calculated) or the Uniform Lifetime Table, Treas. Reg. 1.401(a)(9)-9, Q&A 2 (for participants who turn age 70 before July 1 of that year).

SECTION V. TRANSFER ELECTION. Check the box in this section if you want all or a part of the single and/or eligible monthly payments you elected in Section IV to be transferred to an IRA or eligible employer plan. In order for a monthly payment to be eligible for transfer, it must be of a fixed dollar amount that results in payments that are expected to be completed in less than 120 months. You cannot transfer monthly payments expected to last 120 months or more, or those that are computed based on your life expectancy.

If you want to transfer all or any part of the traditional (non-Roth) portion of your single and/or eligible monthly payments, you and the IRA trustee or plan administrator must complete Page 4. **You** must include the completed page with your withdrawal request package. If you want to transfer all or any part of the Roth portion of your single and/or eligible monthly payments, you and the IRA trustee or plan administrator must complete Page 5. **You** must include the completed page with your withdrawal request package. If you want to transfer both the traditional and the Roth portions of your single and/or eligible monthly payments, you and the IRA trustee or plan administrator must complete Pages 4 and 5. **You** must include the completed pages with your withdrawal request package.

SECTION VI. DIRECT DEPOSIT INFORMATION. Complete this section to have the TSP send your single payment or monthly payments directly to your checking or savings account by means of a direct deposit [electronic funds transfer (EFT)]. Provide all of the requested information. If you do not know the 9-digit routing number, contact your financial institution for information. EFTs will be made only to a financial institution in the United States.

In Item 26, check only one box. Your single and/or monthly payments can be directly deposited into only one account.

If the TSP determines that the EFT information you provided is incomplete or invalid, your request will be processed, but you will receive your payment in the form of a check mailed to you.

Note: Do not complete this section if any of the following are true:

- You would like to receive your payment(s) by paper check to your address of record.
- You selected a life annuity. The annuity provider will send you the necessary paperwork for direct deposit of your annuity payments.
- Your payment(s) will be transferred to an IRA or eligible employer plan.

SECTION VII. CERTIFICATION AND NOTARIZATION. Read the certification carefully and sign and date the form. By signing the certification, you are certifying that the information you have provided is true and complete to the best of your knowledge. You are also certifying that you are separated from Federal service and that your separation will last for 31 days or more. In addition, if you chose to transfer any portion of your traditional balance to a Roth IRA, you are certifying that you understand that you must pay tax on the amount transferred for the year of the transfer. Your signature must be notarized; otherwise, your request cannot be processed. Because the form will be filed with a Federal agency in Washington, D.C., the notary must complete the notarization in Item 32. **No other acknowledgment is acceptable.**

VIII. FEDERAL TAX WITHHOLDING — Completing this section is optional. Withholding will not apply to amounts transferred to an IRA or eligible employer plan or which are otherwise nontaxable (see instructions). If you complete this section, **you should not complete IRS Form W-4P.** If you complete this section **incorrectly** or choose a withholding option that does not apply to your elected withdrawal, and the rest of your form is completed correctly, **your withdrawal will be processed using the standard IRS withholding rules.**

Withholding on Single Payments

33. The TSP must withhold 20% of the taxable portion of your single payment for Federal income tax. Indicate the dollar amount of withholding you want **in addition to** the mandatory 20% for Federal income tax:

\$, .00

Withholding on Monthly Payments

The type and duration of monthly payments you elect will determine the required Federal tax withholding and which options below are available to you. You can use the monthly payment calculator on the TSP website (www.tsp.gov) to calculate the estimated duration of your payments.

34. For monthly payments that will last **less than 10 years (less than 120 payments)**, indicate the dollar amount of withholding you want on each monthly payment **in addition to** the mandatory 20% for Federal income tax:

\$, .00

35. For monthly payments that will last **10 years or more (120 payments or more), or are computed based on life expectancy**, I want:

a. No withholding

b. Withholding based on my marital status:

Single

Married

Married, but withhold at higher single rate

Allowances (Enter the total number of allowances. If zero, enter 0.)

c. Withhold this additional dollar amount:
(Note: You must also complete Item 35b.)

\$, .00

FORM TSP-70, INFORMATION AND INSTRUCTIONS FOR PAGE 3

SECTION VIII. FEDERAL TAX WITHHOLDING. Complete this section if you want to change the standard Federal income tax withholding for your payment.

The following withholding rules apply to the taxable portion of your withdrawal:

- **For single payments that are not transferred to an IRA or eligible employer plan,** the TSP must withhold a mandatory 20% for Federal income tax. You may ask the TSP to withhold an additional amount by completing Item 33.
- **For monthly payments that are expected to last less than 10 years (less than 120 payments),** the TSP must withhold a mandatory 20% for Federal income tax. You may ask the TSP to withhold an additional amount by completing Item 34.
- **For monthly payments that are expected to last 10 years or more (120 or more payments), or that are computed based on life expectancy,** the TSP will withhold taxes as if you are a married person with 3 dependents. However, you have other withholding options:
 - You may choose to have no withholding by checking the box in Item 35a.

OR
 - You may change your withholding marital status and allowances by completing Item 35b. You may use the IRS Withholding Calculator on the IRS website at www.irs.gov/individuals for help in determining how many withholding allowances to claim.

OR
 - You may ask the TSP to withhold an additional amount by completing Item 35c. **Note:** If you request additional withholding, you **must also** check the box indicating your withholding marital status **and** the number of allowances you would like in Item 35b. You may use the IRS Withholding Calculator on the IRS website at www.irs.gov/individuals for help in determining how many withholding allowances to claim. If you do not complete Item 35b, your withdrawal will be processed as if you are a married person with 3 dependents.

Be aware that if you elect not to have Federal income tax withheld from your payment(s) or if you do not have a sufficient amount withheld, you may be responsible for the payment of quarterly estimated taxes. Additionally, if any withholding amount and/or payments of quarterly estimated taxes are not sufficient, you may be subject to penalties under the IRS' estimated tax rules.

Note: Withholding does not apply to disbursements of tax-exempt contributions, Roth contributions, Roth qualified earnings, or any amounts transferred to an IRA or eligible employer plan.

For more information about the tax implications of your withdrawal, read the TSP tax notice "Important Tax Information About Payments From Your TSP Account."

For more information about estimated tax requirements and income tax penalties, refer to IRS Publication 505, *Tax Withholding and Estimated Tax*. You may be able to avoid quarterly estimated tax payments by having enough tax withheld from your TSP payment(s) using this form. You may use IRS Publication 919, *How Do I Adjust My Tax Withholding?*, to see how the dollar amount you are having withheld compares to your projected Federal income tax for the current year.

This section is a substitute for IRS Form W-4P, Withholding Certificate for Pension and Annuity Payments. If you complete this section, you should not complete IRS Form W-4P.

If you include an IRS Form W-4P, Withholding Certificate for Pension or Annuity Payments, with the completed withholding section of this form, the withholding information you provide on this form will supersede the information on your submitted Form W-4P.

If you complete this section incorrectly or choose a withholding option that does not apply to your elected withdrawal, and the rest of your form is completed correctly, your withdrawal will be processed using the standard IRS withholding rules.

If you elected a default joint life annuity (Item 11) or a life annuity (Item 23b), the annuity provider will send you information about making a withholding election for your annuity payments.

GENERAL INFORMATION ABOUT TRANSFERS

You may elect to transfer all or part of your withdrawal to a traditional IRA, eligible employer plan, or Roth IRA. The type of plan to which you can transfer your withdrawal depends on whether your withdrawal consists of a traditional (non-Roth) balance, a Roth balance, or both.

To transfer all or any part of the **traditional (non-Roth)** portion of your withdrawal to an IRA or eligible employer plan, complete Page 4.

To transfer all or any part of the **Roth** portion of your withdrawal, complete Page 5.

To transfer all or any part of **both** the traditional **and** Roth portions of your withdrawal to **separate plans** or to the **same plan**, you must complete Page 4 **and** Page 5.

If you have both a traditional (non-Roth) and a Roth balance in your TSP account, any eligible transfers will be processed according to the proportion of each balance in your account.

Example:

TSP account balance = \$10,000

Traditional portion of balance at time of eligible transfer request = \$9,000 (90%)

Roth portion of balance at time of eligible transfer request = \$1,000 (10%)

Withdrawal election:

Single Payment = 100%

Transfer request:

Transfer 50% of traditional portion of the withdrawal

Transfer 50% of Roth portion of the withdrawal

Result:

Amount transferred to eligible plan(s) = \$5,000, comprised of \$4,500 traditional money and \$500 Roth money.

Amount paid to you = \$5,000, comprised of \$4,500 traditional money and \$500 Roth money.

Be aware that depending on how you choose to receive your withdrawal, you may be subject to Federal income tax withholding rules.

Note: For tax reporting purposes, the TSP will report each payment and each transfer from each balance on a separate Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc. For example, a participant who makes the election described in the above example will receive four Form 1099-Rs: one for the \$4,500 traditional balance transferred, one for the \$500 Roth balance transferred, one for the \$4,500 traditional amount paid to the participant, and one for the \$500 Roth amount paid to the participant.

TRANSFER INFORMATION FOR TRADITIONAL (NON-ROTH) BALANCE

SECTION IX. YOUR TRANSFER ELECTION FOR TRADITIONAL BALANCE. You may transfer all or any part of the **traditional (non-Roth)** portion of your eligible withdrawal to a traditional IRA, eligible employer plan, or Roth IRA.

If you elected to withdraw all or a part of your TSP account as a **single payment** and you want to transfer all or a part of the traditional (non-Roth) portion of that payment to a traditional IRA, eligible employer plan, or Roth IRA, enter a percentage between 1 and 100% in Item 36. Do not enter decimals or a percentage over 100%.

If you elected to withdraw all or a part of your TSP account as **monthly payments** and you want to transfer all or a part of the traditional (non-Roth) portion of those monthly payments to a traditional IRA, eligible employer plan, or Roth IRA, enter a percentage between 1 and

100% in Item 37. Do not enter decimals or a percentage over 100%. (You cannot transfer payments expected to last 120 months or more, or those that are computed based on life expectancy.)

Note: If you decide to transfer to a Roth IRA, be aware that Roth IRAs accept only after-tax dollars. As a result, you must pay tax on the amount you transfer, and the tax liability is incurred for the year of the transfer. We strongly recommend you consult with a tax advisor regarding your eligibility for, and the tax consequences of, making the transfer.

Payments that are not transferred directly to a traditional IRA, eligible employer plan, or Roth IRA are subject to mandatory 20% Federal income tax withholding. (See Section VIII.) Read the TSP tax notice "Important Tax Information About Payments From Your TSP Account" for detailed tax rules.

SECTION X. TRANSFER INFORMATION FOR TRADITIONAL BALANCE. If you choose to transfer all or any part of the **traditional (non-Roth)** portion of your withdrawal to a traditional IRA, eligible employer plan, or Roth IRA, **your financial institution or plan administrator must complete this section before you submit this form to the TSP.**

Do not submit transfer forms of financial institutions or plans; the TSP cannot accept them.

The institution or plan to which the payment is to be transferred must be a trust established inside the United States (i.e., the 50 states and the District of Columbia).

The financial institution or plan should retain a **copy** of Page 4 to identify the account to which the check should be deposited when it is received. If the transfer is to a traditional IRA or Roth IRA, the institution accepting the transfer should submit Form 5498, IRA Contribution Information, to the IRS. The TSP will report all payments and transfers to you and to the IRS on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc.

Information for the IRA or Plan: Complete Section X and return this form to the participant identified at the top of Page 4. The financial institution or plan administrator must ensure that the account described here is a traditional IRA, eligible employer plan, or Roth IRA.

Type of Account and Account Number. Indicate whether the transfer is to a traditional IRA, eligible employer plan, or Roth IRA in Item 38. In Item 39, enter the account number, if available, of the IRA or plan to which the money is to be transferred. If an account number is not available, provide information that will help you identify the check when it is sent to you.

Transfer of Tax-Exempt Balances. A uniformed services participant may have contributed tax-exempt money from pay earned in a combat zone to his or her traditional balance. Check the box in Item 40 if tax-exempt balances are accepted into the account identified in Item 39. If the participant's traditional balance includes tax-exempt contributions, the taxable portion of the withdrawal from the traditional balance will be transferred first. Tax-exempt money will be transferred **only if** the taxable portion of the withdrawal does not satisfy the participant's transfer election **and** the plan or IRA accepts tax-exempt balances. If the plan or IRA does not accept tax-exempt balances, that portion of the payment will be paid directly to the participant.

Name and Mailing Address. Provide the name and mailing address information in the boxes provided exactly **as it should appear on the front of the transfer check**. As the plan administrator, you will need to identify the account to which the transfer should be deposited from the information contained in these boxes.

The certifying representative must provide the requested information in Items 42–44. If we need to contact the financial institution or plan for more information, the individual named here will be used as the contact person.

TRANSFER — ROTH

This page is optional. You **and** the IRA trustee or plan administrator must complete this page if you want to transfer (i.e., direct rollover) all or a part of the **Roth portion of your single or eligible monthly payments** to a Roth IRA or to a Roth account maintained by an eligible employer plan. Your Roth TSP balance consists of any employee contributions that you designated as Roth when you made your contribution election and the earnings associated with these contributions. Withdrawals of Roth contributions are paid tax-free. The earnings associated with these contributions are paid tax-free only if 5 years have passed since January 1 of the calendar year in which you made your first Roth contribution, **and** you have reached age 59½ or have a permanent disability. (See instructions.)

XI. YOUR TRANSFER ELECTION FOR ROTH BALANCE — After you complete this section, take or send this page (including the instructions on the back) to your IRA or plan. Your IRA trustee or plan administrator must complete Section XII. **You** must submit the completed package in order for your transfer to be processed.

45. Single Payment. Indicate the percentage of your **Roth single payment** that you want to transfer: .0%

46. Monthly Payments. Indicate the percentage of your **Roth monthly payments** that you want to transfer: .0%

XII. TRANSFER INFORMATION FOR ROTH BALANCE — This section is to be completed by the IRA trustee or plan administrator. The account described here must be a Roth IRA or a Roth account maintained by an eligible employer plan. Please return this completed form to the participant. **Do not submit transfer forms of financial institutions or plans.**

47. Type of Account: Roth IRA Eligible Employer Plan — Roth Account

FORM TSP-70, INFORMATION AND INSTRUCTIONS FOR PAGE 5

GENERAL INFORMATION ABOUT TRANSFERS

You may elect to transfer all or part of your withdrawal to a traditional IRA, eligible employer plan, or Roth IRA. The type of plan to which you can transfer your withdrawal depends on whether your withdrawal consists of a traditional (non-Roth) balance, a Roth balance, or both.

To transfer all or any part of the **traditional (non-Roth)** portion of your withdrawal to an IRA or eligible employer plan, complete Page 4.

To transfer all or any part of the **Roth** portion of your withdrawal, complete Page 5.

To transfer all or any part of **both** the traditional **and** Roth portions of your withdrawal to **separate plans** or to the **same plan**, you must complete Page 4 **and** Page 5.

If you have both a traditional (non-Roth) and a Roth balance in your TSP account, any eligible transfers will be processed according to the proportion of each balance in your account.

Example:

TSP account balance = \$10,000

Traditional portion of balance at time of eligible transfer request = \$9,000 (90%)

Roth portion of balance at time of eligible transfer request = \$1,000 (10%)

Withdrawal election:

Single Payment = 100%

Transfer request:

Transfer 50% of traditional portion of the withdrawal

Transfer 50% of Roth portion of the withdrawal

Result:

Amount transferred to eligible plan(s) = \$5,000, comprised of \$4,500 traditional money and \$500 Roth money.

Amount paid to you = \$5,000, comprised of \$4,500 traditional money and \$500 Roth money.

Be aware that depending on how you choose to receive your withdrawal, you may be subject to Federal income tax withholding rules.

Note: For tax reporting purposes, the TSP will report each payment and each transfer from each balance on a separate Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc. For example, a participant who makes the election described in the above example will receive four Form 1099-Rs: one for the \$4,500 traditional balance transferred, one for the \$500 Roth balance transferred, one for the \$4,500 traditional amount paid to the participant, and one for the \$500 Roth amount paid to the participant.

TRANSFER INFORMATION FOR ROTH BALANCE

SECTION XI. YOUR TRANSFER ELECTION FOR ROTH BALANCE. You may transfer all or any part of the **Roth** portion of your withdrawal to a Roth IRA or to a Roth account maintained by an eligible employer plan.

If you elected to withdraw all or a part of your TSP account as a **single payment** and you want to transfer all or a part of the Roth portion of that payment to a Roth IRA or a Roth account maintained by an eligible employer plan, enter a percentage between 1 and 100% in Item 45. Do not enter decimals or a percentage over 100%.

If you elected to withdraw all or a part of your TSP account as **monthly payments** and you want to transfer all or a part of the Roth portion of those monthly payments to a Roth IRA or a Roth account maintained by an eligible employer plan, enter a percentage between

1 and 100% in Item 46. Do not enter decimals or a percentage over 100%. (You cannot transfer payments expected to last 120 months or more, or those that are computed based on life expectancy.)

Roth contributions are not subject to mandatory Federal income tax withholding because they are not taxable upon distribution. However, if you have not met the conditions necessary for your Roth earnings to be qualified (i.e., paid tax-free), any Roth earnings that are not transferred directly to a Roth IRA or to a Roth account maintained by an eligible employer plan are taxable and are subject to the mandatory 20% Federal income tax withholding. Roth earnings become qualified when the following **two** conditions have been met: (1) 5 years have passed since January 1 of the calendar year in which you made your first Roth contribution **and** (2) you have reached age 59½ or have a permanent disability. **Note:** The TSP cannot certify to the IRS that you meet the Internal Revenue Code's definition of a disability when your taxes are reported. Therefore, you must provide the justification to the IRS when you file your taxes.

Note: The taxable portion of your Roth balance will be transferred first. Nontaxable money will be transferred only if the taxable portion of your withdrawal is less than the amount you choose to transfer.

Read the TSP tax notice "Important Tax Information About Payments From Your TSP Account" for detailed tax rules.

SECTION XII. TRANSFER INFORMATION FOR ROTH BALANCE. If you choose to transfer all or any part of the **Roth** portion of your withdrawal to a Roth IRA or a Roth account maintained by an eligible employer plan, **your financial institution or plan administrator must complete this section before you submit this form to the TSP.**

Do not submit transfer forms of financial institutions or plans; the TSP cannot accept them.

The institution or plan to which the payment is to be transferred must be a trust established inside the United States (i.e., the 50 states and the District of Columbia).

The financial institution or plan should retain a **copy** of Page 5 to identify the account to which the check should be deposited when it is received. If the transfer is to a Roth IRA, the institution accepting the transfer should submit Form 5498, IRA Contribution Information, to the IRS. The TSP will report all payments and transfers to you and to the IRS on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc.

Information for the IRA or Plan: Complete Section XII and return this form to the participant identified at the top of Page 5. The financial institution or plan administrator must ensure that the account described here is a Roth IRA or a Roth account maintained by an eligible employer plan.

Type of Account and Account Number. Indicate whether the transfer is to a Roth IRA or a Roth account maintained by an eligible employer plan in Item 47. In Item 48, enter the account number, if available, of the IRA or plan to which the money is to be transferred. If an account number is not available, provide information that will help you identify the check when it is sent to you.

Name and Mailing Address. Provide the name and mailing address information in the boxes provided exactly **as it should appear on the front of the transfer check**. As the plan administrator, you will need to identify the account to which the transfer should be deposited from the information contained in these boxes.

The certifying representative must provide the requested information in Items 50–52. If we need to contact the financial institution or plan for more information, the individual named here will be used as the contact person.

FORM TSP-70, INFORMATION AND INSTRUCTIONS FOR PAGE 6

Before completing this page, read the annuity information contained in the booklet *Withdrawing Your TSP Account After Leaving Federal Service*. **Note: You cannot change your annuity option or cancel your annuity once your annuity has been purchased.**

Special Rules for Annuities: The minimum threshold for an annuity purchase is \$3,500. If you have **both** a traditional (non-Roth) and a Roth balance in your TSP account and you elect to purchase an annuity, the minimum threshold of \$3,500 applies to each balance separately. You may choose to purchase an annuity as long as you have \$3,500 in either your traditional or Roth balance. The TSP will purchase **two** of the same type of annuity (one with the traditional balance and one with the Roth balance). You cannot choose different annuities for each type of balance.

Also, the following rules apply:

- **If you choose to use 100% of your TSP account to purchase an annuity** and both balances are below \$3,500, your form will be rejected. If you have both a traditional balance and a Roth balance and at least one of the balances is at least \$3,500, the TSP will purchase an annuity with the balance that is at least \$3,500 and pay the other balance directly to you as a cash payment.
- Alternatively, **if you choose an annuity as part of a mixed withdrawal**, any amount(s) that cannot be used to purchase the requested annuity will be split proportionally and distributed according to the other withdrawal option(s) you have chosen.

SECTION XIII. ANNUITY ELECTION. Indicate your gender, then choose the one annuity option you want by checking the appropriate box. **Note:** If you are a married FERS or uniformed services participant and you checked Item 11 on Page 1, you must select Annuity Option 3b; otherwise, your form cannot be accepted.

An asterisk (*) before an annuity option number indicates that there is a cash refund or 10-year certain feature associated with that annuity. If you choose one of these annuities, you must complete Section XV and name a beneficiary(ies) for your annuity.

If you are choosing among the joint life annuities, consider both the monthly payments you will receive while you and your joint annuitant are both alive and the payments that will be made to the survivor if one of you dies. If you choose a joint life annuity with a 50% survivor benefit, the monthly annuity payment to the survivor — whether the survivor is you or your joint annuitant — **will be reduced by half (that is, 50%)** of the annuity payment made while you and your joint annuitant are alive. If you choose an annuity with a 100% survivor benefit, the monthly annuity payment to the survivor will not be reduced when one of you dies. However, with the 100% survivor benefit, the monthly annuity payment that you will receive while you and your joint annuitant are both alive will be less than if you select the 50% survivor benefit. The booklet *Withdrawing Your TSP Account After Leaving Federal Service* provides detailed information.

SECTION XIV. INFORMATION ABOUT SPOUSE OR OTHER JOINT ANNUITANT. If you chose a joint life annuity, you must provide the requested information about your joint annuitant. You must also provide a copy of your joint annuitant's birth certificate. If your joint annuitant's birth certificate is unavailable, one of the following three items may be used if the date of birth is shown: baptismal certificate, family bible record, or marriage certificate. If a birth certificate or the above items are not available, submit **two** of the following types of evidence: school or college record, church record, birth certificate of children (if parent's age is shown), family record of genealogies, driver's license, military identification, military discharge papers, passport, life insurance papers, hospital

records, census records, or voting records. **Do not send original documents;** they will not be returned to you. If the name on a document is not the same as the current name of the joint annuitant, you may be requested to submit a statement from the joint annuitant indicating that he or she is the person named in the document.

If you chose an annuity that provides for a joint annuitant other than your spouse, the joint annuitant must be either a former spouse or someone with an **insurable interest** in you. This means that the person is financially dependent on you and could reasonably expect to derive financial benefit from your continued life.

Blood relatives or adopted relatives (but not relatives by marriage) who are closer than first cousins are presumed to have an insurable interest in you. **If you name such a joint annuitant (i.e., a former spouse or someone with an insurable interest) who is more than 10 years younger than you, you must choose a joint life annuity with the 50% survivor benefit. The only exception is for a former spouse to whom all or a portion of your TSP account is payable pursuant to a retirement benefits court order.**

If the person named as your joint annuitant is not presumed to have an insurable interest in you, you must submit an affidavit (i.e., a certification signed before a notary public) from someone with personal knowledge that the named person has an insurable interest in you. The certifier must know the relationship between you and the joint annuitant and must state why he or she believes that the named joint annuitant might reasonably expect to benefit financially from your continued life.

SECTION XV. BENEFICIARY DESIGNATION FOR YOUR TSP ANNUITY.

If you chose an annuity option with a cash refund or 10-year certain feature, you must designate a beneficiary or beneficiaries to receive benefits from the annuity after your death, under the conditions outlined in that feature. The beneficiary designation on this form applies **only** to the portion of your account used for the annuity purchase. After your annuity is purchased, changes in your beneficiary designation must be made directly with the annuity provider.

The share of any beneficiary who dies before you die will be distributed among the surviving beneficiaries in proportion to the shares you indicate, or entirely to the surviving beneficiary. You may name any individual, corporation, trust, legal entity, or your estate as your beneficiary. If you need additional space, use a blank sheet of paper with your name, TSP account number, and date of birth on it. If you use additional pages, number, sign, and date each page. Use the same date on each page.

Indicate a whole percentage for each beneficiary. Percentages must add up to 100%.

- **If your beneficiary is a person**, enter for each beneficiary the last name, first name, middle name, Social Security number (SSN), and the beneficiary's relationship to you.
- **If your beneficiary is a firm, corporation, or other legal entity**, enter the legal representative's name and the Employer Identification Number (EIN).
- **If your beneficiary is a trust**, enter the trustee's name and the EIN.
- **If your beneficiary is an estate**, enter the executor's name and EIN.

After completing your withdrawal request, make a **copy** for your records.
